

Customer contract

Created by Murray Galbraith on the 29th – 30th of July 2026

This document outlines the agreement between the business providing the service (Lightning Audio Visual) and the customer.

1. Liability:

- 1.1 Lightning Audio Visual's maximum liability is limited to the price of the agreed contract and invoice.
- 1.2 Lightning Audio Visual will not be liable for indirect, consequential or economic losses that the customer may experience including event failure, loss of reputation or loss of business.
- 1.3 The customer is fully responsible for covering any damage caused to equipment. This includes accidental / intentional damage. This also includes damage from members of the public, members of the customer's organisation and any other parties on the site of the event.

2. Payment:

- 2.1 The customer agrees that a refund may be given by Lightning Audio Visual at their discretion if the customer's event is subject to unforeseen circumstances. This includes but is not limited to:
 - Unforeseen changes in weather
 - Circumstances where a critical member of the event's organisation is unable to work for whatever reason

- 2.2 The customer will pay 100% of the price Lightning Audio Visual has sold the customer upfront (at least a week to the day before Lightning Audio Visual is contracted to start their agreed service).
- 2.3 If the customer cancels their event before 24 hours prior to the agreed time that the service starts, they are entitled to a 25% refund of the agreed total price on the invoice. This price is paid to the customer within 1 month of Lightning Audio Visual being notified of this.
- 2.4 If the customer cancels their event within or after 24 hours prior to the agreed time that the service starts then they are entitled to a 0% refund of the agreed price on the invoice.

3. The service:

- 3.1 The customer agrees that they fully understand the service that they have purchased and what it does and does not include. These items are set out in the customer's invoice and the discussions beforehand leading up to the event.
- 3.2 The customer agrees that Lightning Audio Visual will not under any circumstance carry out instructions from a member of the customer's team which may put any stakeholder at risk of danger.

4. Intellectual property

- 4.1 All aspects of Lightning Audio Visual's services (including designs) are owned by Lightning Audio Visual. This ownership is retained after the work is completed at the agreed date and time.

This contract is governed by the laws of England and Wales.
